Degrees

Ph.D. in Molecular Biology (direct access from B.Sc.) University of Montreal, Montreal	Since September 2022
Honor B.Sc. in Biochemistry and Molecular Medicine University of Montreal, Montreal	Completed in 2022
DCS in Natural Sciences, Health Profile Edouard-Montpetit Cegep, Longueuil	Completed in 2018
HSD from Middle Years Programme (International Baccalaureate) La Magdeleine School, La Prairie	Completed in 2016

Work Experiences

Laboratory Animal Colonies Manager CHUM Research Center, Montreal	October 2021 – Present
Undergraduate Cancer Research Intern CHUM Research Center, Montreal	May 2020 – August 2022
College-level Chemistry Research Intern Aerospace Technology Center, Longueuil	February 2019 – June 2019

Scholarships and Recognitions

PARSECS Travel Award (competitive), C\$500	February 2024
CIHR Travel Award (competitive), C\$850	December 2023
CRS Doctoral Research Scholarship (competitive), C\$70 000	September 2023
Défi CRCHUM Doctoral Excellence Scholarship (competitive), C\$2 000	July 2023
FRQS Doctoral Training Scholarship (competitive), C\$100 000	May 2023
Best Poster Award 90 th ACFAS Congress (competitive), C\$250	May 2023
Best Poster Award 28 th Molecular Biology Scientific Day (competitive), C\$250	May 2023
Best Poster Award Scientific Popularization Seminar (competitive), C\$300	March 2023
Montreal Cancer Institute Canderel Scholarship (competitive), C\$1 166.69	September 2022
UdeM Direct Access to PhD (B) Scholarship (competitive), C\$10 000	November 2022
Faculty of Medicine Scientific Outreach Award (competitive), C\$500	November 2022
FRQ Scientific Entrepreneurship Financial Support (competitive), C\$600	October 2022
Best Poster Award ReseauLAB 2022 Edition (competitive), C\$150	September 2022
CIHR Canada Graduate Scholarship for Master's (competitive), C\$17 500	September 2022
Best Poster Award 31 st Scientific Day of ICM (competitive), C\$100	May 2022
NSERC Undergraduate Research Scholarship (competitive), C\$7500	May 2022
Best Poster Award 23 rd CRCHUM Congress (competitive), C\$500	May 2022
Dean's Honor List (competitive)	May 2022
IRIC Next Generation Scholarship (competitive, refused), C\$6400	January 2022

Bachelor's degree Honor track (competitive)	September 2021
Montreal Cancer Institute Internship, C\$5000	May 2021
Desjardins Foundation Study Scholarship (competitive), C\$1500	June 2020

Publication

“Premature immunoaging is a hallmark of childhood acute lymphoblastic leukemia survivorship”
 Tibila Kientega*, Sophie Marcoux*, Jessica Bourbonnais, **Jade Montpetit**, Maxime Caru, Guillaume B Cardin, Nathalie Arbour, Valérie Marcil, Daniel Curnier, Caroline Laverdière, Daniel Sinnett, Francis Rodier. **2023. *Blood Cancer Journal*, SUBMITTED.** *Equivalent contributions.

Research Contributions

Ovarian Cancer Canada Patient Partner in Research Meeting, Presenter	March 2024
Scientific Popularization Seminar for Franco-Ontarians Youth, Organizer	February 2024
8th Canadian Cancer Research Conference (Halifax), Poster	November 2023
Ovarian Cancer Canada Patient Research Forum, Presenter	June 2023
Public Exchange Convention: Health, Energy, Environment (Montreal), Presenter	June 2023
90th ACFAS Congress, Poster	May 2023
28 th Molecular Biology Scientific Day, Poster	May 2023
Scientific Popularization Seminar for Franco-Ontarians Youth, Organizer	March 2023
Terry Fox Research Institute Meeting, Poster	March 2023
32 nd Montreal Cancer Institute Annual Scientific Day, Poster	March 2023
11 th University Day 2023, Poster	February 2023
ReseauLAB 2022 Edition, Poster	September 2022
17 th Molecular Biology Scientific Day, Poster	June 2022
10th Canadian Ovarian Cancer Research Conference (Ottawa), Poster	May 2022
31 st Montreal Cancer Institute Annual Scientific Day, Poster	May 2022
10 th University Day 2022, Poster	February 2022
23 rd CHUM Research Center Annual Congress, Poster	May 2022
3rd Biochemistry Honor Symposium, Presenter	April 2022
22 nd CHUM Research Center Annual Congress, Poster	May 2021
9 th University Day 2021, Poster	February 2021
54th PREMIER Congress, Presenter	January 2021

Volunteering

Fundraising Volunteer	Since 2022
Montreal Cancer Institute & Terry Fox Research Institute, Montreal	
Scientific Events Organizer	Since 2022
Molecular Biology Student Committee, Montreal	
Advocate for French in Science	2023
Association of Young Francophone Scientists in North America, Montreal	
Volunteer Research Intern	2020 and 2022
CHUM Research Center, Montreal	
New Students Mentor	2020 and 2022
University of Montreal, Montreal
