CCOCR

Re: post-doc registration

Leona Hanemann

Dear Ms. Hanemann

This is to confirm the post-doctoral status of Dr. Grace Gorecki, whom has registered for the up and coming CCOCR meeting this May at the student/post-doctoral rate. Dr. Gorecki graduated from medical school in Brazil in June 2021 and then moved to the USA to take her USMLE Step Two exam (a.k.a. board exam for placement in residency). While Dr. Gorecki prepares to start her medical career I hired her as post-doctoral fellow in my laboratory at Southern Illinois University School of Medicine. I can vouch for her status as a post-doctorate in my laboratory and have her on contract through June 2023, when she will start her residency in Obstetrics and Gynecology.

Please accept this as proof of her post-doctorate status.

Sincerely,

Dale B. Hales, PhD  
Professor and Chair
