Recently approved program changes may not be visible on your My Progress view until the beginning of the next semester.

Welcome to the new Student Planning tool! Student Planning allows you to check your program requirements, plan your degree, track your academic progress, search for courses, and more. For video tutorials, FAQs and additional help documentation, visit your campus's Student Planning website:

[Student Planning website for Guelph-Humber students](#)

**i** Although courses will normally be offered in the semester(s) indicated in Student Planning, students who have created a degree/diploma plan will need to consult the course catalog to confirm that their planned courses are being offered. The University cannot guarantee that all courses will be offered in the exact semester(s) indicated. If you have planned courses that are not being offered, don't forget to remove that course from your Timeline and select a new course that fits your program requirements.

For your current academic standing (e.g., Eligible to Continue, Probation or Required to Withdraw), refer to the "[Current Academic Standing](#)" page on WebAdvisor.

*Graduate students:* Graduate programs in Student Planning are only carried back for four years. The "My Progress" page will not display the core requirements of the student program has continued for more than four years. Registration is still available.
